

e-Alerts

Parents, Staff, and Community Members;

We invite you to sign up for content specific alerts delivered straight to your inbox!

All Currituck County Schools are now using a new website software program, and one of the great tools that comes with this is e-Alerts. They are free and easy to sign up for, there's no limit, and best of all, YOU only sign up for what YOU want!

Follow these simple instructions to manage your subscriptions:

(The e-Alert System will be taking the place of the ListServ Accounts used in the past.)

- Go to www.currituck.k12.nc.us
- Look in the top right side for the word "**REGISTER**" (If you have already registered, go to "**SIGN IN**")
- Once you have registered and are *SIGNED IN*, the gray bar at the top should now show "**Access My Info**"
- Scroll down the page until you see "**My E-Alerts & Subscriptions**" click "on" and then click the button next to it that says "**Edit Subscriptions**"
- The page defaults to the District Site - choose any Section you want updates on by checking the box in front of the section name. Before going to an individual school site, click **SUBSCRIBE** at the bottom of the page to save your selections. Use the drop down menu box to select the school(s) of interest. Remember to click **SUBSCRIBE** before going to a new school.
- You're finished! E-mails containing direct links to webpages will be sent out when new information is posted and a website editor sends an e-alert.
