

## **LESSON PLAN**

### **PART I**

Lesson Title: Combatant and Humanitarian Roles the USAF has played in Afghanistan

Instructor: Academic Instructor

Teaching Method: Informal Lecture/ Guided Discussion

Visual Aids (VA): PowerPoint Presentation

Student Preparation:

Date of Lesson Development/Last Major Revision: Updated June 2006

### **PART IA**

Lesson Objective: Know the combatant and humanitarian roles the USAF has played in Afghanistan.

Samples of Behavior/Main Points

1. Know the history of Afghanistan
2. Describe US objectives in Operation Enduring Freedom
3. Identify US humanitarian efforts in Afghanistan
4. Understand who benefits from humanitarian efforts

### **PART IB**

Strategy: This lesson uses a sequential approach. The instructor will cover each of the three topics in the Reading Focus. Throughout the lesson there will be questions/discussions to encourage student involvement to help illustrate the information being discussed. The homework assignment is in the student workbook.

PowerPoint Presentation: Bulleted statements will appear on mouse clicks. Those that contain graphics or pictures will appear automatically at 1-4 second intervals after the last bullet is shown.
