

# When face coverings are worn...

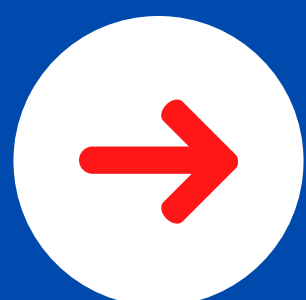

## We can:

Significantly REDUCE Quarantines when a positive case occurs and BOTH parties are wearing masks appropriately and consistently

Return to soft upholstery items in classroom and meeting rooms

Allow non-essential visitors and volunteers in our buildings

Host assemblies and go on field trips

Allow students to be together, and not kept in small cohorts

# When face coverings are worn...

**We can:** 

Eliminate hallway directions and door entrance or exit only signs

Face coverings may be **OPTIONAL OUTSIDE**, when 6 feet apart

Remove plexiglass barriers at reception areas

**Keep Students Engaged in IN-PERSON Instruction**
